2. APPLICABILITY/ACCETANCE OF TERMS/ENTIRE AGREEMENT

2.1 Seller's written acceptance of Buyer's offer to purchase is made only on the express understanding and condition that **THESE TERMS AND CONDITIONS SHALL TAKE PRECEDENCE OVER ANY TERMS AND CONDITIONS WHICH APPEAR IN BUYER'S ORDER OR IN ANY DOCUMENTS INCORPORATED BY REFERENCE IN BUYER'S ORDER**, regardless of whether the Buyer accepts these Terms and Conditions by a written acknowledgment, by implication, or by retention of or payment for Products ordered hereunder.

2.2 Incorporation

2.2.1 These Terms and Conditions, together with Seller's written acceptance of order, constitute the only terms and conditions on which Seller is prepared to deal with the Buyer and shall govern the Contract overriding any and all conflicting and supplementary terms or conditions referred to or contained in any Order or other documents or correspondence. No addition, alteration or substitution of these Terms and Conditions will bind Seller or form part of any Contract unless they are expressly accepted in writing by a person authorized to sign on Seller's behalf. Acceptance of conditions referred to or contained in any Order, acceptance of quotation or otherwise brought to the notice of Seller by the Buyer and superseding all and any prior promises, representations, undertakings or implications.

2.3 Variation

2.3.1 No variation to these Terms and Conditions or Seller's written acknowledgement of Order however made (whether by representation, arrangements, understandings, agreements or otherwise) shall be binding on Seller unless such variation is in writing and signed on behalf of Seller by a duly authorized representative.

 - b. Buyer has reviewed a copy of the policy; and
 - c. Buyer agrees to comply with the provisions of the policy.

3 CANCELLATION/TERMINATION

- 3.1 Buyer has no right to cancel this Order, in whole or in part, absent the prior written agreement of Seller. Custom products and end-of-life last time buys are non-cancelable. Cancellation of Orders for Standard Products is permitted only if written notice of cancellation is delivered to Seller at least thirty (30) days before the initially scheduled delivery date. Cancelable Orders may be canceled by Buyer only upon payment of reasonable cancellation charges, which shall include but not be limited to expenses already incurred for labor and material costs, overhead, commitments made by Seller, and a reasonable profit. If Buyer terminates or cancels an Order without Seller's written agreement, Buyer shall be liable for all unpaid charges and sums due to Seller and will pay to Seller for all damage and will reimburse all costs including reasonable attorney's fees and costs, suffered or incurred by Seller as a result of the breach by the Buyer of its obligations under the Contract, including any incidental, exemplary, indirect, special, or consequential damages. The remedies provided herein shall be in addition to all other means and remedies available to Seller. If the Order is for Products made for use under a United States Government contract, only those applicable terms and conditions that are required to be included by the Federal Acquisition Regulation and the Department of Defense Supplement (FAR/DFAR) shall apply.
- 3.2 Without prejudice to any other right or remedy available to Seller, Seller shall be entitled to terminate this Contract or suspend any further deliveries under it without liability to the Buyer by giving written notice to the Buyer where:
- 3.2.1 The Buyer fails to pay when due any sum payable under the Contract;
 - 3.2.2 The Buyer fails to observe or perform any of the provisions of the Contract

 - 3.2.5 The Buyer ceases, or threatens to cease, to carry on business; or
 - 3.2.6 Seller reasonably **APPREHENDS** that any of the events listed in (iii) to (v) above is about to occur in relation to the Buyer and notifies the Buyer accordingly.
- 3.2.7 immediately with service of formal notice under clause 37 to follow by CW (to the Customer) if it is in breach of any obligation under (or infringement of) Clause 33.5 and 33.6. For added clarity this breach shall be considered as not capable of remedy and notwithstanding any liability caps agreed by the Parties, any damages suffered by CW as a result of a breach of Clause 33.5 by Buyer shall never be subject to such cap.

4 RESCHEDULES

- 4.1 Buyer may be entitled to reschedule a Product shipment not more than once, and only if Buyer gives at least thirty (30) days written notice of such reschedule and the rescheduled shipment date is no later than thirty (30) days after the originally scheduled delivery date for Custom Product, and no later than sixty (60) days after the originally scheduled delivery date for Standard Product.
- 4.2 For Custom Product, if Buyer requests a reschedule longer than thirty (30) days and less than four (4) months, Buyer will be charged a reschedule fee of 15% of the value of the rescheduled item(s), which shall be reflected in an Order amendment to document Seller's approval of the reschedule.

5 PRICES AND PAYMENTS

- 5.1 After formal credit approval, payment terms are net thirty (30) days from the date of invoice, unless otherwise specified in

the Seller quotation. Otherwise, terms are cash in advance. Buyer shall pay interest on amounts not paid when due, at the rate of 2% per month. Seller may suspend further deliveries to Buyer until all sums overdue from the Buyer have been paid.

- 5.2 Remittances must be made to the address on the invoice. Transportation and installation costs are the sole responsibility of Buyer.
- 5.3 If this Order is issued for the acquisition of Commercial Items or Services related thereto, in support of a US Government Contract, the following FAR clauses shall be incorporated in this Contract, as if fully set forth herein.
- 5.4 The terms "Government", "Contracting Officer", and "Contractor" shall be revised to suitably identify the contracting parties (Buyer and Seller) and affect the proper intent of the Clause. Buyer, not the Government, shall administer the installment payment(s) as defined in this Contract: 52.232-29 -- Terms for Financing of Purchases of Commercial Items 52.232- 30 -- Installment Payments for Commercial Items 52.232-31 -- Invitation to Propose Financing Terms

6 ASSIGNMENT

- 6.1 Neither party shall assign the Contract or any portion thereof without the advance, written consent of the other party, which consent shall not be unreasonably withheld, delayed or conditioned. The non-assigning party shall not have any obligation to an assignee of the assigning party unless such consent is obtained. Notwithstanding the foregoing, Seller may assign the Contract to any entity controlled by or under common control of Curtiss-Wright Corporation.

7 WAIVER

- 7.1 Failure by Seller to assert all or any of its rights upon any breach of the Contract shall not be deemed a waiver of such rights either with respect to such breach or any subsequent breach, nor shall any waiver be implied from the acceptance of any payment. No waiver of any right shall extend to or affect any other right Seller may possess, nor shall such waiver extend to any subsequent similar or dissimilar breach.

8 INSPECTION AND ACCEPTANCE

- 8.1 All Products shall be deemed accepted upon delivery. Should Buyer source inspection be required, Buyer shall have ten (10) working days to provide notification, and fifteen (15) working days to complete, after which Products shall be deemed automatically accepted. Acceptance shall constitute acknowledgement of full performance by Seller of all obligations under the Contract except as stated in the Limited Warranty provision herein.

9 LIMITED WARRANTY

- 9.1 Seller warrants that the Products and services delivered to Buyer shall be free from defects in material and workmanship, provided that the Product has not been subjected to accident, abuse, or misuse, and that the Product has been operated in accordance with the Seller's recommendations. Such warranty shall be effective for twelve (12) months after Seller's delivery unless a different term has otherwise been agreed to in writing by Seller. If a Product is determined to be in breach of this warranty, Seller's liability shall be to repair or replace such Product or grant a credit for the purchase price (at Seller's sole discretion and option), which shall be Buyer's sole remedy for such breach of warranty. Software is warranted, if at all, only to the extent provided in the applicable software license, and Seller makes no warranty or representation that the operation of software will be uninterrupted, error free, or that it will meet Buyer's specific requirements. Seller disclaims all liability with respect to Buyer data, including software, stored in returned Products. The warranty does not cover malfunctions, failures or defects resulting from abuse, misuse, accident, alteration, neglect, improper maintenance, or unauthorized or improper repair or installation. Where third party content is being supplied as part of the overall scope of supply under the Order, the original manufacturer's warranty for such third-party content shall apply.
- 9.2 **THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, WHETHER STATUTORY OR OTHERWISE, AND BUYER WAIVES ALL OTHER WARRANTIES, OBLIGATION OR LIABILITIES, ORAL OR WRITTEN, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION AN IMPLIED WARRANTY OF COMMERCIAL ACCEPTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. THIS WARRANTY MAY NOT BE EXTENDED OR ALTERED EXCEPT BY WRITTEN AUTHORIZATION OF SELLER.**

10 CHANGES

- 10.1 Product Changes. Unless otherwise agreed to in writing by Seller, Seller at all times shall have the right, and is entitled in its sole discretion, to make substitutions, changes, additions or improvements to the Products being

delivered under an Order without liability or obligation to incorporate such changes, additions or improvements in any Product manufactured, sold or delivered prior to incorporation of the change, addition or improvement. Such right is only if they will not adversely affect form, fit or function of the Product.

- 10.2 Order changes. Buyer may at any time, by written notice, without notice to any surety, make changes or additions within the general scope of the Order in any one or more of the following: technical documents, method of shipment or packaging, time and place of inspection, delivery or acceptance and the amount of Buyer/Government furnished material. If such change causes an increase or decrease in the cost of, or the time required for, the performance of any part of the work under the Order, an equitable adjustment shall be made in the price and delivery schedule, or both, and the Order modified accordingly. Any claim by Seller for such adjustment must be made within thirty (30) days of the receipt of such notice. If Buyer and Seller are unable to agree upon an equitable adjustment in the event of any change directed by Buyer, the matter will be resolved in accordance with the "Dispute Resolution" clause 20 or 21 of these Terms and Conditions.
- 10.3 Work on any Product that is stopped or delayed by Buyer for any reason may be subject to a restart fee determined by Seller. Any Product prototypes delivered by Seller will not be upgraded to one or more finished Products without additional cost to Buyer, unless agreed by Seller, in writing, prior to the start of work. Any Buyer request for changes to scheduled delivery dates will not be accepted by Seller unless approved in writing and may be subject to expedite or delay fees.

11 FORCE MAJEURE/EXCUSABLE DELAY

- 11.1 Neither party hereto shall be in default or liable for any delay or failure to comply with the Contract if such delay or failure is due to causes beyond its reasonable control, provided that such party shall notify the other party in writing, within thirty (30) calendar days after discovery of the circumstances attributable to such delay or failure. Force Majeure events include but are not limited to: a strike or labor dispute, war or act of war (whether or not an actual declaration thereof is made), insurrection, riot or civil commotion, act of public enemy, fire, flood, or other act of God, or any act of government authority (including export requirements/restrictions). In the event of any delay caused by such circumstances, the date of delivery shall, at the discretion of Seller, be deferred for a period equal to the time of loss by reason of the delay. If the excusable delay circumstances extend for six months, either party may, at its option, terminate the Contract under the Cancellation/Termination Clause herein.

12 QUALITY ASSURANCE

- 12.1 Seller will maintain a quality control system to an industry recognized quality standard. Unless otherwise specified, all Products are manufactured in accordance with Seller's standard processes, except that third-party Products supplied by Seller are manufactured under the third-party's quality system.

13 RETURN GOODS AUTHORIZATION (RGA)

- 13.1 In the event that any Product requires warranty or repair service, a Return Goods Authorization (RGA) number, or equivalent repair number, **MUST BE OBTAINED FROM Seller BEFORE** such can be returned. All returns must be shipped, freight prepaid, to Seller. No unauthorized returns will be accepted by Seller. To obtain an RGA, the following information must be supplied: Product name and part number, serial number, and detailed description of the problem. Following receipt of any request for an RGA, Seller shall inform Buyer of the warranty status of such return. Products returned under a valid warranty claim shall be repaired or replaced at no expense to Buyer, other than costs incurred in returning the same to Seller. Should a returned Product be diagnosed as "no trouble found", Seller will contact Buyer for technical resolution before the Product is returned to Buyer. With regard to out-of-warranty Products, no repair work shall proceed without receipt of a new Order or written authorization from Buyer related to such repairs. If a preliminary assessment indicates that the costs associated with any such repair will approach or exceed original price of the Product, then repairs may not be undertaken, and Buyer will be notified. All work performed on out-of-warranty Products is warranted for ninety (90) days from the date of return shipment to Buyer, if Buyer notifies Seller of any warranty claim related to such repairs within such ninety (90) day period.
- 13.2 Defective Products are returned to Seller's factory at the Buyer's expense if so requested by Seller and this condition shall not apply to Products that have been processed or interfered with other than by Seller or which have not been stored, handled or used in accordance with Seller's instructions.
- 13.3 Where the defective Products have been incorporated into or combined with another product of the Buyer, the associated costs of delivery borne by the Buyer referred to above shall not include any costs borne by the Buyer in recalling or replacing the product in which the defective Products have been incorporated.

- 13.4 The Buyer must return the defective Products to Seller within fourteen (14) calendar days' notice. Where the returned Products, upon inspection by Seller, prove not to be defective the Buyer will at Seller's option pay or refund Seller any associated costs of delivery (including returning the defective Products to Seller) and any storage, testing, inspection and other incidental costs incurred by Seller as a result of the Products having been returned.
- 13.5 A fixed price shall be charged to Buyer for all Product evaluations and/or repairs including Product that is deemed Beyond Physical Repair (BPR) or No Fault Found (NFF). In no event shall the Buyer impose debits on Seller for cost of returned Products.

14 TITLE RETENTION AND SECURITY INTEREST

- 14.1 Seller hereby reserves a security interest in Products sold and the proceeds thereof, in the amount of its sales price.
- 14.2 Default by the Buyer under the Contract with Seller will result in Seller's right to repossess the Products sold hereunder and without liability to Buyer. These security interests will be satisfied by payment in full. On request of Seller, Buyer will promptly execute financing statements and other instruments that Seller may request to perfect its security interest.

15 INSURANCE

- 15.1 Seller shall maintain and carry liability insurance which includes but is not limited to commercial general liability (including product liability and for services to be performed, completed operations liability) in a sum no less than \$2 million, automobile liability in a sum no less than \$2 million, workmen's compensation in an amount no less than the applicable statutory minimum requirement and employer's liability in an amount of no less than \$1 million, with insurance carriers acceptable to Buyer. Seller will, if requested by Buyer, furnish certificates of insurance on the foregoing coverages.

16 INTELLECTUAL PROPERTY

- 16.1 Seller is and shall remain the sole and exclusive owner of any and all rights in any intellectual property created, designed, or conceived by Seller in connection with or arising out of the work performed by Seller. No work performed by Seller shall be considered a work made for hire. Seller grants Buyer only a limited, nonexclusive, royalty-free license to use the intellectual property embodied in the Product provided, supplied or sold by Seller only as necessary for Buyer to utilize such Product. Nothing in any development agreement or otherwise shall be construed as vesting in or transferring to Buyer any ownership of any intellectual property rights.
- 16.2 If the Order is in support of a US Government Contract, deliverable technical data will be provided with the following Data Rights in accordance with DFARS 252.227-7013 and 252.227-7015:
- 16.2.1 Non-Commercial Technical Data and Software: Limited Data Rights to Technical Data, Restricted Data Rights to Software
 - 16.2.2 Commercial Technical Data: Commercial Data Rights
- 16.3 Information provided by Seller to Buyer remains the property of Seller. Buyer shall comply with the terms of any proprietary information agreement with Seller, where applicable, and comply with all proprietary information markings and restrictive legends applied by Seller to anything provided hereunder to Buyer. Buyer shall not use any Seller provided information for any purpose except to fulfill its obligations under its contract with its customer and shall not disclose such information to third parties without the prior written consent of Seller. Buyer shall maintain data protection processes and systems sufficient to adequately protect Seller provided information and comply with any law or regulation applicable to such information.

17 TIME OF DELIVERY AND TITLE

- 17.1 Delivery shall be FCA: Origin, unless otherwise quoted. Title to Products and risk of loss or damage shall pass to the Buyer upon Delivery and Buyer shall be responsible for insuring the Products. All Products shall be packaged in accordance with good commercial practice.

18 LIMITATION OF LIABILITY

- 18.1 SELLERS' MAXIMUM LIABILITY FOR ANY AND ALL CLAIMS ARISING DIRECTLY OR INDIRECTLY FROM THE PERFORMANCE OF ITS OBLIGATIONS UNDER ANY AGREEMENT WITH BUYER, WHETHER RESULTING FROM BREACH OF CONTRACT, BREACH OF WARRANTY, TORT, PRODUCTS LIABILITY, OR OTHERWISE, SHALL NOT EXCEED THE VALUE OF THE ORDER.**
- 18.2 UNDER NO CIRCUMSTANCES SHALL SELLER OR ANY AFFILIATE OF SELLER BE LIABLE TO BUYER FOR LOSS OF BUSINESS OR PROFIT (WHETHER DIRECT OR CONSEQUENTIAL) OR ANY**

OTHER ECONOMIC LOSS, OR ANY INCIDENTAL, EXEMPLARY, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES EVEN IF THE SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

- 18.3 Notwithstanding the foregoing or anything in the Contract, nothing in this clause shall limit damages in connection with:
- a. Fraud or willful misconduct;
 - b. Claims that Seller's Products infringe patents of any third party.
 - c. Damages incurred in third party claims for bodily injury, property damage or death.

19 INTELLECTUAL PROPERTY INDEMNITY

- 19.1 Except insofar as an Order calls for Products pursuant to Buyer's designs, drawings or specifications, Seller agrees to pay the amount of any final judgment against Buyer resulting from a suit claiming that any Products manufactured or furnished hereunder, by reason of their manufacture, sale or use, infringes any United States, Canadian or European patent which has issued at date of the Contract, and Buyer's reasonable costs and expenses in defense of such suit if Seller does not undertake the defense thereof, provided Seller is promptly notified of the threat or commencement of such suit and is offered full and exclusive control to conduct the defense or settlement thereof.
- 19.2 Seller's indemnity shall not apply where infringement would not have occurred from the normal use for which the Products were designed. No responsibility is assumed for actual or alleged infringement of any foreign patent. Seller's liability for damages hereunder is limited to those computed solely on the value of any Products sold to Buyer. In no event shall Seller be liable for consequential damages or costs applicable thereto. In the event of any claim that a Product furnished hereunder infringes any United States, Canadian or European patent, Seller may at its option and expense (a) procure for Buyer the right to continue using the Product, or (b) replace or modify the Product so that it becomes non-infringing, or (c) grant Buyer a credit for such Product, less a reasonable depreciation for use, damage, and obsolescence upon its return to Seller. Buyer agrees to pay all costs and expenses incurred by Seller in its defense and the amount of any judgment against Seller, in any suit or proceeding against Seller based upon a claim of infringement resulting solely from the Buyer combining any Product furnished hereunder with any item not manufactured or furnished by Seller or from the sale or use of any such combination by Buyer. In the event any Product to be furnished under the Contract is to be made in accordance with drawings, samples or manufacturing specifications designated by Buyer and is not the design of Seller, Buyer agrees to defend, indemnify and hold Seller harmless to the same extent and subject to the same requirements as set forth in Seller's obligation to Buyer as above. Seller shall not be obligated to defend or be liable for costs and damages from a modification of Product after delivery by Seller, or from other fault or action of Buyer. Seller may decline to make further shipments to Buyer hereunder if infringement has occurred for such reasons. **THE RIGHTS AND OBLIGATIONS ABOVE ARE IN LIEU OF ANY OTHER INDEMNITY OR WARRANTY, EXPRESS OR IMPLIED BY SELLER OR BUYER, WITH RESPECT TO INTELLECTUAL PROPERTY (PATENTS, TRADE SECRET, MASK WORKS, TRADEMARKS, COPYRIGHTS, OR THE LIKE).**

20 SOFTWARE LICENSE

- 20.1 In the event that a software license is provided with the delivery of software by Seller to Buyer, wherein a condition of use of the software is acceptance of a shrink wrap license agreement ("Shrink Wrap License Agreement"), the Shrink Wrap License Agreement shall be controlling. In the absence of a Shrink Wrap License Agreement or a separate written software license agreement between Buyer and Seller, Buyer and Seller agree to accept the terms and conditions stated below effective the date of the first delivery hereunder:
- 20.2 Subject to the terms and conditions herein, the Seller grants to Buyer a nonexclusive, nontransferable license to use the software or software documentation provided herein:
- a. In the course of the normal operation in or with Seller Products,
 - b. In the analysis or the formatting of reports using data from such Seller Products or,
 - c. On Seller Products or non-Seller products that are used to test, maintain, download, or process information compiled by Seller Products. Making copies of software or documentation except for one copy for archive purposes is prohibited unless specifically authorized by Seller in writing. Should such copying be authorized, Buyer will reproduce and include all Seller proprietary and copyright notices and other legends in the same manner that Seller provides such notices and legends, both in and on every copy of licensed software and documentation and in any form.
- 20.3 The software license and rights granted by Seller to Buyer hereunder are personal to Buyer. The licensed software and documentation may not be sub-licensed, transferred, or loaned to any other party without Seller's prior express written consent, except that Buyer may transfer the licensed software and documentation in conjunction with the resale of any

Product or Seller supplied test equipment in which the licensed software and documentation is installed or with which it is used. Such permission to transfer is contingent upon the transfer of Buyer's agreement to use and protect the confidentiality of the licensed software and documentation under the same or similar terms as those set forth in this software license. Buyer will, however, promptly notify Seller in writing of the transfer of the licensed software and documentation. Buyer agrees to utilize all licensed software and documentation only as authorized herein. Buyer may not either itself or with the assistance of others, make modifications to the licensed software and documentation, including, but not limited to, translating, decompiling, disassembling or reverse assembling, reverse engineering, creating derivative or merged works, or performing any other operation on licensed software and documentation to recover any other operation on licensed software and documentation to recover any portion of the program listing, object code or source code or any information contained therein.

- 20.4 Buyer agrees to accept and retain licensed software and documentation in confidence. Buyer agrees to take appropriate action by instruction, agreement or otherwise with Buyer's employees, or agents or other persons who are permitted access to licensed software and documentation to inform said employees, agents or other persons who may come into contact with it of the confidential nature of licensed software and documentation; and to satisfy its obligations under this software license with respect to use, copying, and protection and security of licensed software and documentation.
- 20.5 This software license is effective as of the date of first delivery hereunder and shall continue until terminated by Buyer for any reason whatsoever upon thirty (30) days prior written notice to Seller, provided Buyer ceases using and either returns or destroys Seller software and documentation; or by Seller, if Buyer does not comply with any of the terms and conditions of this software license and Buyer fails to remedy such failure within thirty (30) days after having received notice from Seller of such failure.
- 20.6 Buyer agrees that it will not use the license software and documentation in the performance of a contract, or subcontract, with any Government in a manner so as to affect Seller rights to licensed software and documentation. If Buyer desires to use the licensed software or documentation in the performance of a contract or subcontract with a Government, prior to such use, Buyer shall consult with Seller as to the procedures and use of restrictive markings required to protect the ownership interest of Seller.
- 20.7 This license is subject to the laws and regulations, and other administrative acts, now or hereinafter in effect, of the United States and other governments and their departments and agencies relative to the exportation and/or re-exportation of licensed software and documentation. Buyer acknowledges that it will be responsible for compliance as necessary with such laws, regulations and administrative acts.

21 TAXES

- 21.1 The prices quoted herein do not include sums necessary to cover any taxes, duties or other levies including but not limited to Federal, State, Municipal excise, sales or use taxes or import duties upon the production, sales, distribution, or delivery of Products or furnishing of services hereunder. Any taxes or duties that are due and owing hereunder shall be paid by the Buyer. This clause shall survive the acceptance and complete performance of the Order by the parties herein.

22 UNITED STATES GOVERNMENT CONTRACT

- 22.1 If the purchase is identified as made for use under a United States Government contract, only those applicable terms and conditions which are required to be included by the Federal Acquisition Regulation and the Department of Defense Supplement (FAR/DFAR), or by Executive Order of the United States Government and such other clauses as may be agreed to between the parties shall be incorporated herein by reference.

23 SEVERABILITY

- 23.1 If any provision of these Terms and Conditions of Sale is determined to be illegal, invalid, or unenforceable, for any reason, then such provision shall be deemed stricken for purpose of the dispute in question, and all other provisions shall remain in full force and effect.

24 INSOLVENCY/BANKRUPTCY/FINANCIAL DEFAULT

- 24.1 If the Buyer fails to pay any sum due to Seller hereunder, or shall fail to satisfy any of its obligations hereunder and such default shall continue for ten (10) days after the sending by Seller to the Buyer by a registered letter advising of such default, or if the Buyer by the subject of any proceedings under bankruptcy laws or other insolvency laws or be declared subject to judicial supervision or enter into liquidation, Seller shall have the right to immediately repossess the Product and to terminate the Contract. Upon any such termination, the Buyer shall remain liable for all unpaid charges and sums due to Seller and will pay to Seller for all damages and will reimburse all costs including reasonable attorney's fees and

costs, suffered or incurred by Seller as a result of the breach by the Buyer of its obligations under the Contract. The remedies provided herein shall be in addition to all other means and remedies available to Seller.

25 SETOFF

25.1 All amounts that Buyer owes Seller under an Order shall be due and payable according to the terms of such Order. Buyer is prohibited from and shall not set off such amounts or any portion thereof, whether or not liquidated, against sums that Buyer asserts are due it, its parent affiliates, subsidiaries or other divisions or unites under other transactions with Seller, its parents, affiliates, subsidiaries or other divisions or units.

26 INDEMNITY

26.1 Buyer will indemnify, hold harmless and defend Seller from and against any claims, suits, judgments, expenses or liabilities of any nature (including without limitation all reasonable attorneys' fees) which are threatened or brought against, or are incurred by, Seller arising from any actions, omissions or misrepresentations of Buyer in the use, promotion, or sale of Products or services provided by Seller under the Contract.

27 DIPUTE RESOLUTION (FOR CONTRACTS WITH NON-U.S. ENTITIES)

27.1 If either party to the Contract is a non-U.S. entity, any dispute, controversy or claim arising out of or relating to the Contract, or the breach, termination or invalidity thereof, shall be settled by arbitration in accordance with the International Chamber of Commerce ("ICC") Rules of Arbitration as in force at the commencement of the arbitration. If the dispute involves \$5 million or less, the arbitration shall be conducted by a sole arbitrator. Either party to the Contract may propose to the other the names of one or more persons, one of whom would serve as the sole arbitrator. If within 30 days after receipt by a party of a proposal made in accordance with this paragraph the parties have not reached agreement on the choice of an arbitrator, the sole arbitrator shall be appointed by the ICC in Accordance with its Rules. If the dispute involves more than \$5 million, the arbitration shall be conducted by a tribunal of three arbitrators, one arbitrator to be named by Seller, one arbitrator to be named by Buyer, and the third arbitrator (who shall serve as the chairperson of the tribunal) to be appointed by the two party-appointed arbitrators. If the two party-appointed arbitrators fail to appoint a third within 15 days of the appointment of the second of the two party-appointed arbitrators, then either party may request that the chairperson be appointed by the ICC in accordance with its Rules of Arbitration. The place of arbitration shall be Geneva, Switzerland. Any arbitral tribunal constituted pursuant to the Contract shall apply the law of England to all disputes. The arbitration shall be conducted in English. The award of the arbitrator shall be final and binding upon the parties and may be entered and/or enforced in any court of competent jurisdiction. The parties acknowledge that the Contract and any award rendered pursuant to it shall be governed by the United Nations Convention on the Recognition and Enforcement of Foreign Arbitral Awards. Notwithstanding the foregoing, Seller may initiate suit in any jurisdiction for protection and enforcement of its intellectual property rights.

28 DISPUTE RESOLUTION (FOR CONTRACTS WITH U.S. ENTITIES)

28.1 If both parties to the Contract are U.S. entities, any controversy or claim arising out of or relating to the Contract or its breach shall be settled by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association then in effect. The parties may agree on the selection of a single arbitrator, but if they cannot so agree, each such party shall select an arbitrator and the two selected arbitrators shall select a third arbitrator. No arbitrator may be affiliated, whether directly or indirectly, with any of the parties, including, without limitation, as an employee, consultant, partner or shareholder. The arbitrator(s) shall permit each of the parties to the Arbitration to engage in a reasonable amount of discovery. In the event either party requests arbitration, the arbitration shall be held in New York, New York. The award by the arbitrator or arbitrators shall be final, and judgment upon the award rendered may be entered in any court having jurisdiction thereof. Notwithstanding the foregoing, Seller may initiate suit in any jurisdiction for protection and enforcement of its intellectual property rights.

29 APPLICABLE LAW

29.1 The Contract shall be interpreted in accordance with the laws of the State of New York, exclusive of any choice of law provisions. The Seller and Buyer expressly agree to exclude from the Contract the United Nations Convention on Contracts for the International Sale of Products, 1980, and any successor thereto.

30 COST OF COLLECTION AND ATTORNEY FEES

30.1 In the event any action is taken by Seller to collect amounts billed to Buyer by Seller, Buyer shall be liable for all costs

and expenses incurred by Seller in relation thereto, including legal fees.

31 DOCUMENTATION AND MANUALS

31.1 All documentation, installation, maintenance, and operations manuals will be in English and in Seller format. Seller retains all rights in and to the documentation and manuals. Copying or translating the documentation or manuals, in whole or in part, into another written or electronic format or language is prohibited unless specifically authorized by Seller in writing. Should such copying be authorized, Buyer will reproduce and include all Seller proprietary and copyright notices and other legends in the same manner that Seller provides such notices and legends. Any translation requirements are Buyer's responsibility.
